

THIS PRACTICE IS CHANGING LIVES WITH RESEARCH

Can you help us?

Carrying out high-quality research helps us to improve NHS care and find better treatments for the future.

This GP practice is involved in research, helping to improve our patients' lives.

You might be invited to take part in a research study, or you can ask your doctor, nurse or other healthcare professional if there is a study you could be involved in.

To find out more about taking part in research visit
